These will be logged and this policy will be followed'. All complaints are handled via the same process, no matter who submits them and our policy states 'the customer does not need to ask to make a complaint or use the word 'complaint', we will recognise what a complaint is from talking to them'. This is covered in staff training.

1.6	... if further enquiries are needed to resolve the matter, or if the resident requests it, the issue must be logged as a complaint.	yes	Our policy states 'initial concerns or queries will be logged and resolved by one of our teams where possible.
